

Registration Guidelines for “AI for All” Program

Step 1: AI for All Program can be registered by clicking on “Register Now”. If you have already registered for this program, please click on “Login Here”.

The screenshot shows the TCS ION AI for All registration page. At the top, there is a black header with the TCS ION logo on the left and a 'Login/Register' button on the right. Below the header, the page features the TCS Foundation logo and text indicating it is offered by MPIT - CoE. The main heading is 'AI for All' with the tagline 'Empowering a Digital & AI-Ready Society'. A Guinness World Records seal is displayed with a message about the program's achievement. On the left, there are two buttons: 'Register Now' (highlighted with a blue border) and 'Login Here'. A link for 'Registration Guidelines' is also present. On the right, there is a large image of a woman in an orange jacket interacting with a digital interface. Below this, a light blue box contains three sections: 'Course Duration' (21 Hours), 'Learning Format' (Digital), and 'Eligibility' (Open to all, No prior knowledge required).

Step 2: A form will open, please fill your personal information.

The screenshot shows the AI for All registration form. At the top, there is a black header with the text 'AI for All' and a small image of a woman. Below the header, a note states: 'Note: If you already have an account on the TCS ION platform, please use the same Email ID and Mobile Number to register for this program'. The form is divided into two main sections: 'Personal Details' and 'Education Details'. The 'Personal Details' section includes fields for 'Full Name*', 'Email ID' (with an information icon), 'Date of Birth*', 'District*', 'Gender*', and 'Mobile Number*'. There is a 'Verify' button next to the Mobile Number field. The 'Education Details' section includes fields for 'Education Level*' and 'Degree/Program - Stream*'. Both sections have dropdown menus for selection.

Step 3: After entering the Mobile Number, click on “Verify”.
